

GreenClean™ Kitchen Degreaser

Bio-Renewable Technology

GreenClean™ Kitchen Degreaser concentrate easily cuts its way through grease, carbon and soil accumulation on vents, hoods, stoves, ovens, floors, walls, etc. Perfect for use on ovens, grills, stoves, hoods, pans, vents, walls, counters, floors and all water-safe hard surfaces. Easy to use, simply spray or wipe on for fast penetration and easy removal of stubborn baked-on kitchen grease and grime. The pleasant lime fragrance and green color make it unmistakable.

USES: Formulated for tough soils and tracked-in grime. Excellent for floors, walls, britework and kitchen equipment.

FEATURES:

- Non-toxic
- Low VOC
- Non-flammable
- Biodegradable
- Bio-based Soy
- Rapidly Renewable Resource
- Meets Federal Executive Orders
- Meets Federal Buy Bio Programs
- Meets Green Building LEED Requirements

ENVIRONMENTAL BENEFITS:

- No phosphorous
- No ammonia.
- No flammable solvents.
- No environmentally toxic preservatives.
- No alkyl phenol ethoxylate (APE).
- No bio-accumulative fluorocarbon surfactants.
- VOC's do not exceed established limits for applicable category.

DIRECTIONS FOR USE:

Soak: Dilute 4 ounces to 1 gallon of water and apply liberally (to a reasonable workable area). Let solution soak/dwell for 2 - 3 minutes.

Spray & Wipe: dilute 8 ounces to a 22-ounce sprayer. Spray and wipe clean with cloth or sponge.

Dilutions:

- 1:64 - Light
- 1:8 - Heavy
- 1:32 - Soak
- 1:16 - Spray & wipe

PACKAGING:

- Case/4 - 1 Gallon (3.78L)
- 5 Gallon Pail (18.9 L)
- Drum/55 Gallon (208 L)

PRODUCT CHARACTERISTICS:

Appearance: clear Green Liquid
Odor: Lime
pH: 8.4
Flash Point: >300°F

Boiling Point: >212°F
Specific Gravity: 1.04 gm/ml
VOC: <0.5%
Weight: 8.68 lbs./gal.

SHIPPING: D.O.T. Unregulated

STORAGE: Do not freeze.
