

OrangeUp™ Heavy Duty Degreaser

Bio-Renewable Technology

OrangeUp™ Heavy Duty Degreaser is the ultimate in bio-based degreasing technologies. **OrangeUp™** is a versatile, bio-based degreaser concentrate that aggressively attacks industrial soils to help maximize operating performance. **OrangeUp™** will effectively remove heavy deposits of wax, dust, oil, tar, ink, carbon dust and grease from metal, most plastic and nylon surfaces. Its controlled evaporation rate enhances the strong cleaning action. It provides an excellent alternative to typical commercial solvent-based degreaser for cleaning applications where solvents are not acceptable.

USES: Heavy duty hard surface degreaser.

FEATURES:

- Non-Toxic
- Low VOC
- Non Flammable
- Biodegradable
- Bio-Based Soy
- Rapidly Renewable Resource
- Meets Federal Executive Orders
- Meets Federal Buy Bio Programs
- Meets Green Building LEED Requirements

BENEFITS:

Concentrated cleaner for heavy duty cleaning

Safe on most surfaces, moderate pH

Easy rinsing

Food grade Approved

Excellent meat room degreaser

DIRECTIONS:

General Cleaning: Dilute 8 oz. (240 mL) to 1 U.S. gallon (3.78 L) of water. Rinse if required.

Floor Washing: Dilute 2 oz (60 mL) to 1 U.S. gallon (3.78 L) of water. For heavy application, double dilution.

Apply solution with mop or automatic scrubber. Rinse if required

Pressure Washers: Set dilution at 1:40. Apply solution at low pressure from bottom to top and rinse top to bottom at high pressure

DILUTIONS:

1:64 – Light

1:32 – Regular

1:16 – Heavy

1:8 – Spray and wipe

PRODUCT CHARACTERISTICS:

Appearance: Clear Orange Liquid

Odor: Citrus

Flash Point: 300°F

VOC: 0.5%

Specific Gravity: 1.025

pH: 11.6

Boiling Point: 212° F

Weight: 8.56

PACKAGING: 4x1 Gallon, 5 Gallon Pail, 55 Gallon Drum
